

NYC 2022 Steps Everyone Can Take to Make Our Fellowship Safer

“CDC **COVID** Recommendations”

Small and Large Gatherings
Duval County, Florida
State Health Department
COVID-19 Community Level **High**

The safety and health of all HOGSIC NYC 2022 conference attendees and guests is always the highest priority. Based on current CDC, and Duval County COVID Guidelines for large gatherings, **mask are required** while inside Mt. Moriah HOGSIC Church and Life Center located at 1005 Odessa Street Jacksonville, FL 32206.

HOGSIC Leadership agree with the mask requirements while inside the buildings.

Attendees are strongly encouraged to be vaccinated.

We are adhering to the CDC guidelines, including the use of masks, and other protocols while inside Mt. Moriah HOGSIC Church and Life Center.

House of God Saints In Christ National Youth Department has put in place preventive measures to reduce the spread of COVID-19, but cannot prevent attendees or guests from becoming exposed to, contracting, or spreading COVID-19 while attending a HOGSIC NYC 2022 worship service, events, or facility.

- All Youth Leaders please check temperatures of your attendees before coming to each service.
- **Masks should be worn inside buildings** in addition to maintaining other sanitizing protocols.
- Fit the mask snugly against the sides of your face, slipping the loops over your ears or tying the string behind your head
- Highly recommend elbow bumps and virtual hugs with others who don't live with you especially inside sanctuary.

Wash your hands often

“*Best practice*” Wash your hands often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing, wash hands frequently,

- Before eating or preparing food
- Before touching your face
- After using the restroom
- After leaving a public place
- After blowing your nose, coughing, or sneezing
- After handling your mask
- After changing a diaper
- After caring for someone sick
- After touching animals or pets

Bring plenty of hand sanitizer. hand sanitizer that contains at least 60% alcohol.

- Hand sanitizer will be present

If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol. Cover all surfaces of your hands and rub them together until they feel dry.

- Avoid touching your eyes, nose, and mouth with unwashed hands.

Cover coughs and sneezes

If you are wearing a mask: You can cough or sneeze into your mask. Put on a new, clean mask as soon as possible and wash your hands.

Always cover your mouth and nose with a tissue when you cough or sneeze, or use the inside of your elbow and do not spit.

Throw used tissues in the trash.
